Dear George,

On behalf of the board of directors of Americans For Trump, Inc. (AFT), please permit me to thank you for your outstanding presentation to AFT Tuesday November 12th. I have had tremendous feedback as to your presentation with some rating it as one of the most impactful and insightful AFT presentations ever!

Your comments regarding *THE REAL DEAL* of a decade fighting battles with Trump were far more than entertaining. You provided personal insight into how President Donald J. Trump is *THE REAL DEAL!* Thank you for standing strong for our President and putting your time, talent and treasure to work for the good of the country. It is Patriots like you that renew my faith in our country and our cause.

We welcome you to attend future events when you are back home here in South Florida and look forward to having you speak again in the future if your schedule permits. I welcome your ideas on future speakers for AFT as we want to have impactful meetings. Please reach out with suggestions of potential speakers any time.

Again, thank you for sharing your precious time with AFT and leading the fight for the conservative cause throughout our nation.

God bless you and protect you! I look forward to working with you as we Keep America Great!

Sincerely,

Scott Newmark, President
